

**Remarks**

The Office Action states that the claims of the application are directed to the following distinct inventions:

- Invention I: Claims 1-19 drawn to a system and method for providing web service to user, classified in class 709, subclass 203; and
- Invention II: Claims 20-22 drawn to a system and method for processing diagnostic data, classified in class 709, subclass 224.

The Office Action further states that restriction to one of the above-listed inventions is required under 35 U.S.C. 121.

In response to the restriction requirement as set forth in the Office Action, applicants elect without traverse the claims of Group I (Claims 1-19) for further prosecution in the captioned application.

The remaining claims (Group II, Claims 20-22) have been canceled from the captioned application. However, applicants submit that these claims have been canceled merely to expedite prosecution of the present application, without prejudice or disclaimer of the subject matter claimed therein. Applicants fully reserve the right to file additional applications to pursue the canceled claims, among other potential claims.

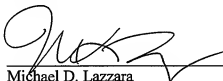

Summary

Favorable consideration and allowance are respectfully requested for the pending claims of the present application. Any questions regarding the present response are invited to the attention of the undersigned representative.

Respectfully submitted,
